Executive Summary

Agriculture and rural sector in Bangladesh has played a vital role in achieving desired economic development. Though production of this sector has augmented in many folds, the share of agriculture in GDP has declined over the time (from 16.0 % in FY15 to 13.6% in FY19) in the pace of gradual shift from developing to developed economies. The 2nd Sustainable Development Goal expressed agricultural sector as “End hunger, achieve food security and improved nutrition and promote sustainable agriculture”. Bangladesh has made credible progress over the past four decades in achieving food security, employment, income generating activities and poverty alleviation with the help of government and Bangladesh Bank’s policy support. According to the Labor Survey 2017 conducted by Bangladesh Bureau of Statistics, about 40.6 percent of labor force still engaged in this sector. BB has continued its proactive policy and support program to boost up agricultural sector in context of insufficient formal financing in this sector. In this regard, Agriculture and Rural Credit Policy and Program have been formulated to increase flow of funds in rural areas through agricultural and SME financing under its intensive financial inclusion strategies.

The annual agricultural credit disbursement target has fixed at Tk. 24124.00 crores for FY20 which was 10.66 percent higher than Tk. 21800.00 crores targeted in FY19. During July-October 2019 the achievement was 25.10 percent of the disbursement target for FY20.

In October 2019, actual agricultural credit disbursement by all banks stood at Tk. 2500.16 crores, which was 34.53 percent higher than Tk. 1858.43 crores for the same month of the preceding year. Recovery of agricultural credit stood at Tk. 2384.30 crores in October 2019, which was 16.40 percent higher than Tk. 2048.44 crores for the same month of preceding year.

Outstanding balance (including interest) of agricultural credit **stood at Tk. 42388.77 crores at the end of October 2019**, which was 7.63 percent **higher than Tk. 39382.96 crores at the end of October 2018**.

During July-October 2019, total agricultural credit disbursement **stood at Tk. 6054.83 crores**, which was 13.13 percent higher than **Tk. 5352.07 crores in July-October 2018**. Total recovery of agricultural credit **stood at Tk. 6758.00 crores during July-October 2019**, which was 3.07 percent higher than **Tk. 6556.40 crores in July-October 2018**. Overdue of agricultural credit **stood at Tk. 6588.61 crores at the end of October 2019**, which was 3.98 percent lower than **Tk. 6862.00 crores at the end of October 2018**. **Overdue of agricultural credit as percentage of outstanding stood lower at 15.54 percent at the end of October 2019 compared to 17.42 percent at the end of October 2018.**

In October 2019, Grameen Bank and other large nine NGOs disbursed Tk. 10537.96 crores as microcredit and recovered Tk. 10328.67 crores. The total outstanding balance of microcredit of these organizations stood at Tk. 72520.50 crores of which the overdue of microcredit stood at Tk. 1610.24 crores at the end of October 2019.

Bangladesh Bank is continuously providing policy directions to promote sustainable inclusive economic growth and to expedite credit flow to all sub-sectors of agriculture and non-farm activities.
