Government Borrowing from Domestic Sources during July-November of FY15

Government borrows from both domestic and external sources to bridge its fiscal deficits. Government domestic borrowing sources are banks (Bangladesh Bank and Scheduled Banks) and other than banks. Government borrows from banking system mainly through Treasury Bills and Bonds and from nonbanking sources through National Saving Directorate (NSD) in addition Treasury Bills and Bonds. It

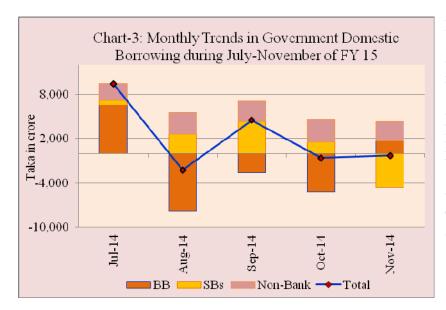

is observed that the government has borrowed (net) Tk.8362.6 crore through Treasury Bills and Bonds of which Tk.7561.0 crore (net) has been borrowed through Treasury Bonds and Tk.801.6 crore has been borrowed through Treasury Bills during July-November of FY15. In addition to that, government borrowed Tk.11242.0 crore through NSD instruments during the period. Net government domestic borrowing stood at Tk.10784.8 crore during July-November of FY15 after the adjustments with Treasury Bills and Bonds, NSD, Ways and Means Advances (WMA), advances to Food and other Ministries, Overdraft current and block accounts, accrued interest, and advances and deposits of autonomous and semi-autonomous bodies as well as the deduction of cash balance in the form of government deposits with Bangladesh Bank and scheduled banks. During the period, government deposits increased by Tk.5600.0 crore where deposits with Bangladesh Bank increased by Tk.159.5 crore and with scheduled banks increased by Tk.5440.5 crore. Instrument-wise net government domestic borrowing during July-November of FY15 is depicted in chart-1.

After the adjustments with repayments, deposits and advances of autonomous and semi-autonomous bodies, the government repayment was much higher than borrowing from banking system and Tk. 13642.7 crore from other than banking sources (including NSD, Treasury Bills Treasury Bonds) during July-November of FY15; of which Tk.11242.0 crore net borrowed through NSD. The movements in net government

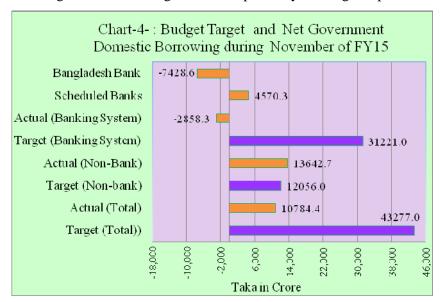

borrowing from different domestic sources during July-November of FY15 are demonstrated in chart-2.

Monthly movement of government's net domestic borrowing is represented in chart-3. Government's holding of cash balances was much higher in the month of November 2014 than the borrowings from scheduled banks and nonbank sources through T.Bills and T.Bonds except National Savings Schemes.

In the budget of FY15, Tk.43277.0 crore has been fixed for borrowing from domestic sources by the government of which Tk.31221.0 crore and Tk.12056.0 crore are targeted to borrow from banking and non-banking sources respectively. During the period under review the government

has borrowed Tk.4570.3 crore from the scheduled banks. However, the total repayment and holding of cash balances with Bangladesh Bank stood at Tk.7428.2 crore. The government repaid Tk. 2858.3 crore more than borrowings from banking system during July-November of FY15. Moreover, government Tk.13642.7 borrowed crore from other than banks (including NSD, Treasury **Bills** and Bonds), which exceeded

to 113.2 percent of total budget target from non-banking sources. During the period under report, NSD instruments exceeded the total target of non-bank borrowing through NSD. The total net government domestic borrowing (banking and non-banking sources) stood at Tk.10784.4 crore which covered almost 24.9 percent of total budget target after the adjustment with government deposits and other items during July-November of FY15. A comparative picture of government budget target and actual domestic borrowing during July-November of FY15 is produced in chart-4.
