Introduction

The institutions (other than Deposit Money Banks) which mainly carry out the financing business are termed as Non-Banking Finance Companies (NBFCs). It is constituted under the Financial Institutions Act, 1993 which has been updated with the Finance Company Act, 2023 in response to changing times. An NBFC is a finance Company that does not have full Banking license and also not a member of clearing house. It makes loans and advances for industries, commerce, transport, agriculture and building construction. Some of NBFCs take term deposits which are treated as Non-Bank Depository Corporations (NBDC) and some are non deposit taker but may deem to create liquidity. NBDC is a portion of NBFC.

Financial Bangladesh, Non-Banking Companies (NBFCs) have a relatively recent history. The concept of NBFCs began to take shape in the 1980s and 1990s as the financial sector expanded. During this period, NBFCs started emerging to provide specialized financial services. Industrial Promotion and Development Company (IPDC), established in 1981, was the first private sector Non-Banking Financial Company (NBFC) in Bangladesh to begin operations. Since then the number has been increasing and it has now reached 35 NBFCs of which 3 are government-owned and 32 are private NBFCs. Again 30 NBFCs are Depository (NBDC) and 5 NBFCs are Non-Depository.

Since July, 1974 the Statistics Department of Bangladesh Bank has been collecting detailed information on deposits, debits, loans and advances, and bills from all branches of scheduled banks operating in Bangladesh in the prescribed formats on quarterly basis. Like Scheduled banks, NBFCs are playing important role in the current economic activities, development, growth and financial inclusion etc. It becomes necessary to collect data from NBFC through the prescribed formats of NBFI-2 and NBFI-3 to fulfill the demand of policymakers, researchers and other stakeholders of the economy. This department had taken initiative to collect NBFCs data on quarterly basis from Oct.-Dec., 2018 quarter. In addition to that, Statistics Department is also collecting data from Bangladesh Samabaya Bank Limited and Non-Scheduled banks Ansar-VDP Unnayan Bank and Karmasangsthan Bank which are included in

Other Financial Institutions.
