Dear Sir,

**Post flood rehabilitation through rescheduling of loans for weaving industries and disbursement of fresh loans in favour of weavers**

It has been decided that loan facilities through rescheduling of loans may be disbursed among the weavers (especially for the weavers of Sirajganj and Pabna) who have been affected by consecutive floods and become loan defaulters. Terms and conditions of down payments may be relaxed for rescheduling of such loans.

02. Simultaneously banks will form "Complaint and Loan Monitoring Cell" in different levels and monitor regularly so that the weavers can avail of loan facilities in the quickest possible time under the arrangement of new loan facilities and do not face any sort of trouble.

Please acknowledge receipt.

Yours sincerely,
