Date: October 08, 2026

All licensed Money Changers and
Authorized Dealers in foreign exchange

**Release of foreign currency against private travel
entitlement by licensed Money Changers**

Dear Sirs,

In terms of the provisions of FE Circular No. 31, dated November 19, 2024, licensed Money Changers are permitted to sell foreign currency notes and coins up to USD 2,000 to an outgoing Bangladeshi national against annual private travel entitlement.

2. In order to facilitate the foreign exchange requirements of outgoing Bangladeshi nationals, it has been decided that, out of the applicable annual private travel entitlement, a licensed Money Changer may sell up to USD 3,000 (three thousand) in the form of USD notes and coins at any one instance. The balance of the applicable entitlement may be sold in the form of notes and coins denominated in other freely convertible/useable currencies, subject to availability of the respective customer's remaining travel entitlement.

3. Other provisions applicable to licensed Money Changers in this regard shall remain unchanged.

Please bring the contents of this circular to the notice of your relevant clientele.

Yours faithfully,
