2.1 Disbursement

The agricultural credit disbursement target has been set at Tk. 35,000.00 crore for the fiscal year 2024, marking a 13.60 percent rise from the previous fiscal year. Noteworthy is the substantial increase observed in agricultural credit disbursement in January 2024, showing an increase of 40.39 percent compared to January 2023. 3. Refinance Facility**Facility from Bangladesh Bank under Government Guarantee**

In order to foster agricultural development and ensure food security, Bangladesh Bank (BB) consistently supports Bangladesh Krishi Bank (BKB) and Rajshahi Krishi Unnayan Bank (RAKUB) through short-term agricultural refinance facilities under government guarantee. The fund amount of this refinance scheme is BDT 5000 crore. According to the circular by the Agricultural Credit Department (ACD), BB on 17 November 2022, participating banks get refinance facility under this scheme at the interest rate of 0.50 percent from BB while farmers get the facility at the rate of maximum 4.00 percent (simple interest rate).

During July-January of FY24, BKB did not apply for any short-term agricultural refinance facility. However, BB approved a refinance loan facility of Tk. 1000.00 crore under government guarantee in response to RAKUB's loan application. Out of this sanctioned amount, RAKUB withdrew Tk. 663.65 crore in January 2024.
